Important Terms and Information

Prescription Drug Benefits
Prescription drugs are an important part of your health care. This guide will help you understand and use your drug coverage.

Formulary (Drug List)
A formulary is the list of drugs we cover. It includes generic, brand name, and specialty drugs. The list starts on page 3 and shows drug names, drug tiers, and restrictions (notes about coverage).
Visit our website to see the most current list at:
www.PacificSource.com/Medicaid/find-a-drug.

How to Find a Drug on our Drug List
- **Therapy class -** Drugs are grouped by the condition they treat. For example, diabetes drugs are under "ANTIDIABETICS (Medications to help control blood sugar levels in patients with diabetes)."
- **Drug name -** Use the index after the formulary to find your drug alphabetically by name and page number.

Drug Tiers
Drugs are grouped into price levels called tiers:
- **Tier 1 (Generic) -** Lowest cost, same active ingredients as brand drugs.
- **Tier 2 (Brand) -** Higher cost, made by one company. You must try the generic first if available.
- **Tier 3 (Specialty) -** Very high cost, with special rules.

Copay
You **do not** have copays for your covered drugs. A copay is a set dollar amount that you would pay for each drug.

In-network Pharmacy
These pharmacies work with us and accept our payment for covered drugs. Find in-network pharmacies in our directory at https://ProviderDirectory.PacificSource.com/Medicaid.

Mail-Order
Contact our mail-order pharmacy to get your drugs in the mail,
Caremark Prescription Services:
- Phone: 866-362-4009 Toll-free, TTY 711.
- Website: www.Caremark.com

Coverage Rules
Some drugs have limits or special rules, including:
- If a generic drug is available, we usually don't cover the brand name version.
- You must use in-network pharmacies.
- 31-day supply limit at retail pharmacies.
- Up to 12-month supply for birth control.
- 60-day supply at our mail-order pharmacy.

Special Requirements
Some covered drugs need extra approval or have limits:
- **Partial Fill –** First fill is smaller to see if you can tolerate the drug.
- **PA (Preapproval) –** "PA" in the notes column means the drug requires preapproval. Your doctor must send chart notes for us to approve the drug.
- **PA (Preapproval) May Apply –** "Prior Authorization may apply" in the notes column means the drug may need preapproval if you take a high dose.
- **QL (Quantity Limits) –** "QL" in the notes column means only a certain amount is covered. Your doctor can request more.
- **ST (Step Therapy) –** "ST" in the notes column means you must try a lower-cost drug first.
- **LA (Limited Access) –** "LA" in the notes column means only available at certain pharmacies and limited to a 31-day supply limit.

Specialty Drugs
Tier 3 drugs are limited to a 31-day supply and must be filled at our specialty pharmacy, **CVS Caremark Specialty Pharmacy.**

- Phone: 800-237-2767, TTY 711.
- Website: www.CVSSpecialty.com

Getting Approval
If your drug needs PA, ST, or QL:

- Your doctor can send chart notes for review.
- For ST, ask your doctor about trying a Step 1 drug.

You and your doctor can visit our website for full details:
www.PacificSource.com/Medicaid/find-a-drug

Drugs We Don't Cover
We do not cover:

- Drugs not on the formulary
- Drugs for non-covered conditions
- Drugs without required approval
- Cosmetic drugs
- Travel vaccines
- Drugs paid by Medicare
- Drugs needing more research

Mental health drugs are usually paid by Oregon Health Authority (OHA), not us. See your Member Handbook for full benefit limits.

Prioritized List of Health Services
We follow OHA's rules. They cover certain conditions listed in the **Prioritized List of Health Services.** View the list at:
www.oregon.gov/oha/HPA/DSI-HERC/Pages/Prioritized-List.aspx.

If Your Drug Isn't Listed
You can:

- Check our website or call for similar covered drugs.
- Ask your doctor to prescribe a covered alternative.
- Request an exception.

To ask for an exception, your doctor must send chart notes explaining:

- Your condition is covered by OHA.
- Why other drugs won't work for you.

Providers submit requests online through our InTouch portal www.PacificSource.com/Providers.

- For help registering for InTouch, call OneHealthPort at 800-973-4794.
- For help using InTouch, after registration, email Provider Relations at ProviderRelationsRep@PacificSource.com.

Get Refills at the Same Time
If you take more than one drug, refills may happen at different times. We can help you get refills at the same time with our drug synchronization program. Ask your doctor or pharmacist to call our Pharmacy Services team at 855-228-6229.

Questions?
Chat with us through our secure portal, InTouch for Members.
